## **ABOUT CIT**

Coimbatore Institute of Technology (CIT) started in 1956 by Sri.V. Rangasamy Naidu is reckoned for its academic excellence in engineering and technology. CIT is a Government Aided Autonomous Institution Affiliated to Anna University, Chennai. CIT offers under graduate, post graduate and PhD programs with a global standard curriculum promoting the students to compete internationally. The institute has celebrated its Golden Jubilee in the year 2006. The Institute has collaborated with leading frontier universities and industries in India and abroad for the promotion of innovative engineering ideas.

## **ABOUT DEPARTMENT OF CIVIL ENGINEERING**

The Department of Civil Engineering is one of the earliest departments in CIT which offers under graduate, post graduate and Ph.D. programmes which are accredited by NBA, New Delhi. The department has a team of highly experienced faculty members with rich academic and industrial experience in various frontier engineering areas. The faculty members and students of the department are dedicated to work in the current needs of the industry and have the ability to improve their expertise in field of Civil Engineering.

## **ABOUT THE CONFERENCE**

The PSCEES-2019 event aims to bring together leading academic scientists, researchers and research scholars to exchange and share their experiences and research results on all aspects of Sustainable Civil and Environmental Engineering. The Conference provides a premier interdisciplinary platform for researchers, practitioners and educators to present and discuss the most recent innovations, trends, and concerns as well as practical challenges encountered and solutions adopted in the fields of Civil and Environmental Engineering for Sustainability.

## **OBJECTIVE**

The Conference mainly focus on Global Environmental Challenges and Solutions, Present Civil Engineering Problems and Natural Disaster Management and Mitigation. It is anticipated that outcomes of this Conference would benefit all National and Global delegates.

## **DISCUSSION TOPICS**

- **Environmental Engineering**
- **Sustainable Green Technologies**
- **Climate Change & Meteorology**
- **Wastewater & Water Treatment Technologies**
- **Structural Engineering & Mechanics**
- **Building Information Modeling (BIM)**
- **Construction and Building Materials**
- **Geotechnical Engineering**
- **Hydraulics Engineering**
- **Highway & Transportation Engineering**
- **Construction Project Management**
- **Hydrology & Water Resources Engineering**
- **Earthquake Engineering**
- **Remote Sensing & Geospatial Technologies**
- **Engineering Geology**
- **Architecture & Urban Infrastructure**
- **Wetlands & Ecology**
- **Coastal and Wind Engineering**
